INDEPENDENT ACCOUNTANTS' REVIEW REPORT

To the Board of Directors of Infinite Family

We have reviewed the accompanying consolidating statement of financial position of Infinite Family (a not-for-profit organization) as of December 31, 2011, and the related consolidating statements of activities and cash flows for the year then ended. A review includes primarily applying analytical procedures to management's financial data and making inquiries of the Organization's management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

Our responsibility is to conduct the reviews in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. Those standards require us to perform procedures to obtain limited assurance that there are no material modifications that should be made to the consolidating financial statements. We believe that the results of our procedures provide a reasonable basis for our report.

Based on our review, we are not aware of any material modifications that should be made to the accompanying consolidating financial statements in order for them to be in conformity with accounting principles generally accepted in the United States of America.

NOTES TO CONSOLIDATING FINANCIAL STATEMENTS

DECEMBER 31, 2011 (Unaudited)

Note 1 - Organization and Summary of Significant Accounting Policies

a - Organization

Infinite Family ("IF") was incorporated as a not-for-profit corporation in New York State on December 29, 1998. IF's charitable mission is to work with local organizations in Africa to connect adult mentors worldwide with orphans and vulnerable children using video conferencing, e-mail, a secure internet site, and interactive tools and resources, to help the children learn to make good decisions, stay healthy, and develop academic and life skills. The adult volunteers essentially act as part-time mentors to African children who do not have adult guidance in their lives primarily as a result of the ravages of HIV/AIDS and poverty. Technology-based communication tools provide the platform for this interaction.

b - Principles of Consolidation

The accompanying consolidating financial statements include the accounts of IF and Infinite Family South Africa ("IF-SA") (a related foreign non-for-profit corporation), which was formed in November 2010. All significant intercompany transactions have been eliminated.

c - Property and Equipment

Property and equipment are recorded at cost. Depreciation is provided on a straight-line basis over the estimated useful lives of the related assets.

d - Financial Statement Presentation

IF reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

e - Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

f - Grants and Contributions

Grants and contributions are recognized when the donor makes a promise to give to IF that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are classified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Note 1 - Organization and Summary of Significant Accounting Policies (continued)

g - Tax Status

Infinite Family is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and has been designated as an organization which is not a private foundation. Management has evaluated all income tax positions and concluded that no disclosures related to uncertain tax positions are required in the financial statements. IF's tax returns for years prior to 2009 are generally no longer subject to examination by taxing authorities.

Infinite Family South Africa was formed as a charitable trust under the laws of South Africa. Accordingly, it is subject to separate filing and reporting requirements in its country of formation.

h - Subsequent Events

Infinite Family has evaluated subsequent events through February 22, 2013, the date that the financial statements are considered available to be issued.

Note 2 - Temporarily Restricted Net Assets

Temporarily restricted net assets at December 31, 2011 are restricted to future programs and periods.

Note 3 - Donated Services

During the year ended December 31, 2011, IF recorded donated services of \$67,500, which consisted of professional fees valued at \$15,000 and the salary of the chief executive officer valued at \$52,500.

Note 4 - Concentration

During the year ended December 31, 2011, IF received contributions from two donors which represented approximately 34% of total contributions.

NOTES TO CONSOLIDATING FINANCIAL STATEMENTS

DECEMBER 31, 2011 (Unaudited)

Note 5 - Property and Equipment

Property and equipment consists of the following:

	<u>Life</u>	<u>Amount</u>
Computer hardware and software	5 years	\$51,757
Website	5 years	5,500
Office equipment	5 years	<u>4,614</u>
	-	61,871
Less: Accumulated depreciation		<u>(57,372</u>)
		<u>\$ 4,499</u>

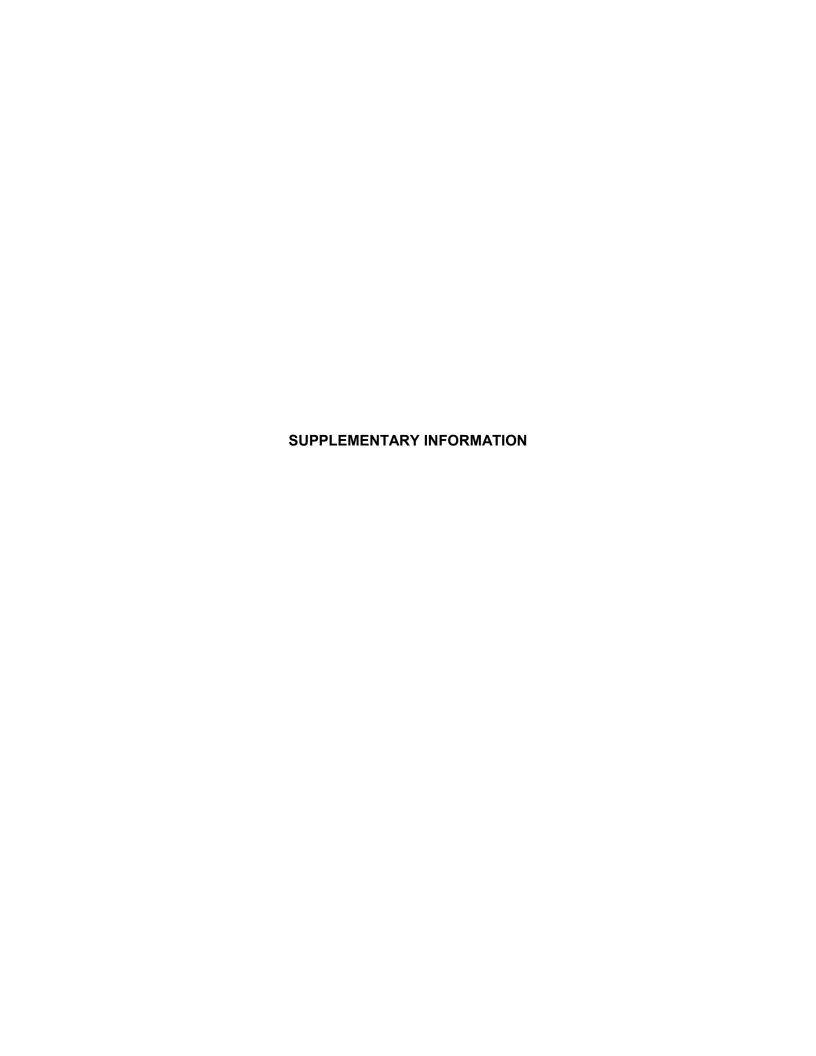

Depreciation expense for the year ended December 30, 2011 was \$7,919.

Note 6 - Loan Payable

IF entered into a loan agreement with the chief executive officer for an amount up to \$75,000, bearing interest on the outstanding principal at 3% per annum, payable semi-annually beginning in February 2012. Full payment is due 180 days following demand by lender, but in no event earlier than February 2013. As of December 31, 2011, IF had \$65,000 outstanding under this agreement.

Note 7 - Functional Allocation of Expenses

The cost of providing the various program and supporting services has been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the program and supporting services in reasonable ratios determined by management.
