INDEPENDENT ACCOUNTANTS' REVIEW REPORT

To the Board of Directors of Infinite Family

We have reviewed the accompanying consolidating statement of financial position of Infinite Family (a not-for-profit organization) as of December 31, 2012, and the related consolidating statements of activities and cash flows for the year then ended. A review includes primarily applying analytical procedures to management's financial data and making inquiries of the Organization's management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the consolidating financial statements as a whole. Accordingly, we do not express such an opinion.

Management is responsible for the preparation and fair presentation of the consolidating financial statements in accordance with accounting principles generally accepted in the United States of America and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the consolidating financial statements.

Our responsibility is to conduct the review in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. Those standards require us to perform procedures to obtain limited assurance that there are no material modifications that should be made to the consolidating financial statements. We believe that the results of our procedures provide a reasonable basis for our report.

Based on our review, we are not aware of any material modifications that should be made to the accompanying consolidating financial statements in order for them to be in conformity with accounting principles generally accepted in the United States of America.

We previously reviewed Infinite Family's 2011 consolidating financial statements and in our report dated February 27, 2013, stated that based on our procedures, we were not aware of any material modifications that should be made to the 2011 consolidating financial statements in order for them to be in conformity with accounting principles generally accepted in the United States of America. We are not aware of any material modifications that should be made to the summarized comparative information presented herein as of and for the year ended December 31, 2011, for it to be consistent with the reviewed consolidating financial statements from which it has been derived.

NOTES TO CONSOLIDATING FINANCIAL STATEMENTS

DECEMBER 31, 2012 (Unaudited)

Note 1 - Organization and Summary of Significant Accounting Policies

a - Organization

Infinite Family ("IF") was incorporated as a not-for-profit corporation in New York State on December 29, 1998. IF's charitable mission is to work with local organizations in Africa to connect adult mentors worldwide with orphans and vulnerable children using video conferencing, e-mail, a secure internet site, and interactive tools and resources, to help the children learn to make good decisions, stay healthy, and develop academic and life skills. The adult volunteers essentially act as part-time mentors to African children who do not have adult guidance in their lives primarily as a result of the ravages of HIV/AIDS and poverty. Technology-based communication tools provide the platform for this interaction.

b - Principles of Consolidation

The accompanying consolidating financial statements include the accounts of IF and Infinite Family South Africa ("IF-SA") (a related foreign non-for-profit corporation), which was formed in November 2010. All significant intercompany transactions have been eliminated.

c - Property and Equipment

Property and equipment are recorded at cost. Depreciation is provided on a straight-line basis over the estimated useful lives of the related assets.

d - Financial Statement Presentation

IF reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

e - Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

f - Grants and Contributions

Grants and contributions are recognized when the donor makes a promise to give to IF that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are classified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Note 1 - Organization and Summary of Significant Accounting Policies (continued)

g - Tax Status

Infinite Family is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and has been designated as an organization which is not a private foundation. Management has evaluated all income tax positions and concluded that no disclosures related to uncertain tax positions are required in the financial statements. IF's tax returns are generally subject to examination by taxing authorities for a period of three years from the date of filing.

Infinite Family South Africa was formed as a charitable trust under the laws of South Africa. Accordingly, it is subject to separate filing and reporting requirements in its country of formation.

h - Subsequent Events

Infinite Family has evaluated subsequent events through November 13, 2014, the date that the financial statements are considered available to be issued.

Note 2 - Temporarily Restricted Net Assets

Temporarily restricted net assets at December 31, 2012 and 2011 are restricted to future programs and periods.

Note 3 - Donated Services

During the years ended December 31, 2012 and 2011, IF recorded donated services of \$58,258 and \$67,500 respectively. Donated services during the years ended December 31, 2012 and 2011 consisted of professional fees valued at \$5,758 and \$15,000 respectively, and the salary of the chief executive officer valued at \$52,500 in each year.

Note 4 - Concentration

During the year ended December 31, 2012, IF received contributions from two donors which represented approximately 62% of total contributions. During the year ended December 31, 2011, IF received contributions from two different donors which represented approximately 34% of total contributions.
